2. The prescribed tender forms can be had at the Office of the Executive Engineer, Mysore Division, on payment of annas four per form. Tenders submitted in forms other than the printed forms will be rejected.

3. Each tender must be accompanied by a duplicate treasury chellan for having credited the amount noted against each as earnest money under "Revenue Deposit" and S.B. Pass Books or any other adjustment of amount due by Government to the tenderer will not be considered. Each tender cover to be superscribed with the name of work for which the tender relates, without which the tender will be rejected.

4. Detailed estimates, plans and specifications may be seen in person by the tendering contractors in the office of the undersigned between 11 A.M. and 5 P.M. on all working days.

5. Specific rates should be quoted for each individual items of work which should be inclusive of all taxes prevailing in the area, and the tendered rates should be in words also. Tender offering percentage reduction or increase will not be considered.

6. No conditional clauses will be accepted.

7. For lumpsum provision for non-tendered items, the rates will be paid as per minimum current schedule or as per data with not more than 10 per cent for contractor's profit.

8. The final acceptance of the tender will rest with the Executive Engineer, Mysore Division, Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

9. The successful tenderer should bind himself to abide by the departmental rules in force and execute necessary contract agreement within a week from the date of communication of approval to his tender, failing which the earnest money will be forfeited to Government.

10. The earnest money of the rejected tenderers will be refunded on application, only after any of the tenders is approved or after two months from the date of receipt of tenders. The reserve and earnest money of the successful tenderer will be repaid only at the time of settlement of final claims.

11. All over-writings and corrections while submitting the tenders should be attested to by the tenderers.

12. The quantities given in the estimate are only approximate and drawings shown to the contractors are only tentative and are liable to alterations, omissions, deductions or any additions at the discretion of the Executive Engineer, Mysore Division, or any higher authority. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

13. In case of any accident to the labour employed by the contractor during the course of construction, the accepted tenderer should pay the compensation to the injured as per rules of Government in force, failing which the amount will be deducted out of his claims and paid to the injured.

14. The contract should not be sub-let.

15. The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Office of the Executive Engineer in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

16. Rates once tendered will not be enhanced on any account-

17. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

18. The Income-tax Clearance Certificate should be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

B. R. SUBBA RAO,
Executive Engineer.
